

# *Neurosurgical Peruvian American Foundation - NPAF*

February 2010

Dear Sponsor,

On behalf of the Neurosurgical Peruvian American Foundation (NPAF) Board, we want to extend our invitation to you and your organization to join us on Saturday, March 20, 2009 to celebrate our 14<sup>th</sup> annual reception. The purpose of this benefit is to aid Neurosurgeons, Neurosurgical Educational Programs as well as the ThinkFirst program in Peru. This year's event will be a Wine Tasting - Arts reception where you and your guests will enjoy a variety of wines from all around the world and view and purchase incredible Art pieces painted by local and international artists.

NPAF was created and established in 1996 as a 501 c 3 non-profit charitable organization with the primary purpose of raising financial resources to assist in the training and development of educational programs for the advancement of Neurosurgery in Peru. In addition, NPAF provides for the continued development of the ThinkFirst program which was created in 2003, to provide educational programs for the prevention of spinal and head injury traumas in children and adolescences throughout Peru. This program is under the guidance of the USA ThinkFirst Foundation.

Because of past and present support from organizations like yours, Peruvian neurosurgeons have had the opportunity to obtain fellowships in American Universities as well as providing for fellow Neurosurgeons, world wide, to travel to Peru and exchange their neurosurgical experiences and techniques with local neurosurgeons. Most importantly more than *three thousand* children have received life-changing instructions for prevention of trauma.

We need your financial support. I have taken the liberty of including a sponsorship package for your review and consideration. For more information feel free please visit our website at [www.npaf-peru.org](http://www.npaf-peru.org) and [www.thinkfirst-peru.org](http://www.thinkfirst-peru.org).

Thank you again for considering sponsoring our programs and this very special event.

Sincerely,

*Monique Pineda*
